

Name (please print)

Student ID #

BI110 – Unifying Life Processes

Department of Biology, Wilfrid Laurier University

Midterm Exam 2

November 9, 2011

Instructor: Dr. M. Smith

Time: 50 minutes | Total marks: 50

INSTRUCTIONS:

1. DO NOT OPEN THE EXAM PAPER UNTIL YOU ARE INSTRUCTED TO DO SO.

2. Print your name and ID# at the top of this cover page. Note that there are ten (10) pages, printed DOUBLE-SIDED.
3. Use **PENCIL ONLY** to fill-in the ParSCORE (Scantron) sheets using dark marks that fill in the rectangles completely. If you do not have a pencil, one will be provided to you.
4. You **must** fill in the Name field and indicate your 9-digit WLU I.D. number on the ParSCORE card. Note that there is a place for your ID# on both sides of the card (fill in both!). Don't forget to fill in the appropriate rectangles below your ID#. Please leave a space between your last and first names when filling in the name field.
5. There are four different versions of the exam, and you must indicate which one you have by filling in the **Test Form** field on the ParSCORE sheet. **The Test Form is provided on the next page of the exam, but do not open the exam until you are instructed to do so.**
6. Answer all **50** Multiple Choice questions by indicating the **one best choice** on the Scantron card. Only the Scantron card will be marked, *but it is a good idea to also indicate your answer on the exam itself*. Each question is worth one mark. There is no additional penalty for incorrect answers.
7. You must hand in both the question sheets and your ParSCORE/scantron card.
8. No additional materials are allowed.
