

1. What are the best times to phone Dr. Buschek?

Phone will not be answered. Contact Dr. Buschek through his culearn email or meet him during the office hours which is Wednesday 13:00-15:00 or by appointment

2. Why is the course text not in the bookstore?

This course does not have a specific textbook as the material is given from articles, internet, may be presented in class and lecturer notes during lectures.

3. Where do I find information about the course?

I can find information of this course in the outline on culearn.

4. What is your opinion of Chemtrails?

Chemtrails are the trails that are left behind by an aircraft in the sky. I believe this trail contains chemical substances that can affect the environment and our health.
