Cp213 Lecture 14 start

Can create exception outside of try

```
Exception e = new Exception();
```

```
try {  
    throw e;  
}
```

```
catch (Exception e) { X.getMessage();
```

Must declare throw statement when creating it outside of a try catch statement

Can't extend a final class

Cp213 Lecture 15 start

- In assignments now assume there can be incorrect input

```
h = (b-a)/(n-1);          u = f(a)  
for (i=0; i < n; i++)    ath = f(a+h)  
    xen-value = Q + i * h;  
    f-value = pf.calculate(xen-value);  
    bin(xen-values, f-reli);  
}
```
