

- Small-scale/Hunter-Gatherers: Small-scaled societies → extended family 15-20 ppl. don't have set area, migrate with animals, berries, plants. Portable living structure
- Agrarian/Agriculturalists: growing food, domesticating animals, medium scale, Able to make a lot more food for a lot more ppl. Can't control weather. Each domestic thing in ^{envi}
- Urban? Very dramatically different 1000-5000 ppl. High likelihood that you're not related to ppl around you. Lots specialization, hierarchy & religious figures. Supreme divinity
→ supplication

Not evolutionary tract (from Hunter → Urban), different knowledge

- Anthropomorphize: Not human that we envision in human form.

Feb 2

- Female rain: nurturing rain, light, calm, Fertility goddess
- Male rain: hail, damage crops,
- Syncretic Religions: A distinct religion/faith, which has 2 or more threads paths become 1
ex: sicis → hinduism & islam mix
- Zoroastrians: mediterranean religion, persa (Iran), the divine represents evil for human and the divine represent good are balanced.

- Monotheism: Mono = 1, Theism = theos = God, 1 God. singular divine. Ppl that follow the religion have a relationship with their god
- Polytheism: Many Gods/Goddesses, Romans, they bring in gods/goddesses
- Pantheism: A set, group, collection, pantheist are polytheist, not all polytheist are pantheist, only worship their gods/goddesses

- Animism: Animated = light, spirit in all things, spark of the divine in all things

* -1450s, not medieval time, depends on country, statement from pope that ^{witches} ~~witches~~ are real and will make chaos. 9 million is not literal number

Movie:

- Halloween was pagans celebrating spirits
- Witchcraft is used to dismiss different practices, small religions
↳ Brazil: they were called heathens, witch are healers, through meditation and singing to heal

Different fields use words differently
