

- Wicca: usually runs by women, final words come from priestess.
 - ↳ spells → metaphor, mutos levels,
 - locus of power is individual wiccans doing spells, not a divine supreme.

- Semiotics: study of symbols, symbiotic language

ex. green: color of healing

- ↳ symbols: Multivocal → many layers of meaning, different meanings

- ↳ signs: univocal → 1 meaning, 1 voice, no layers of interpretation ex. stop sign

- ↳ culturally based

ex heart: red - love

pink - like, watered it down (the intensity)

green - St. Paddy's day

black - death of something

patterned - nothing, moved so far away from origin of colors

Midterm:

- 40 multiple choice/true & false
- readings end today + guest lecture
- *is or is not*
- Names read are fair game
- Dates not necessary unless specifically noted.
